Re: *Javelin Global Commodities (UK) Ltd. v. James H. Booth*  
Case No.: 1:20-cv-07550 (CM)

MEMO ENDORSED

Dear Judge McMahon:

This firm represents defendant James H. Booth in the above action. Defendant respectfully requests an extension of time to file his opposition to plaintiff's motion for summary judgment. The current briefing schedule requires defendant to file opposition by March 15, 2022. Defendant is seeking a 15-day adjournment and updated briefing schedule as follows:

Opposition papers due by March 30, 2022; and  
Reply papers due by April 18, 2022.

Counsel for Plaintiff has agreed to the adjournment, new briefing schedule, and this letter's submission is on consent. This is the second such request. The first adjournment was requested during the February 3, 2022 initial conference and was granted. The reason for this request is that, due to some unforeseen workload issues and unfortunately getting sick recently, we require additional time to confer with our client and prepare the necessary papers.

Should the Court have any questions we are available to address them at the Court's convenience.

Respectfully submitted,

s/Joshua H. Abramson
